Dear Board Members,

After over a year and half of data gathering, collaborations, edits, revisions and conversations, the College's [NECHE Self Study](#) has been completed.

The self-study is transparent and highlights accomplishments and opportunities for improvement. The good work of Saint Joseph's College has been highlighted in the self-study and we await the NECHE Team visit later this fall.

As part of the feedback process, listening sessions are being held. The next one is scheduled for tomorrow, Thursday, September 9th, at 3 pm (EDT). In addition to SJC faculty, staff, and students, Board members are also invited to participate. This session will be held using Google Meet video conference with a teleconference option.

The video conference can be accessed via this [LINK](#). Dialing information, if joining via teleconference instead, is as follows

From the US, dial: 1 562-584-6520, PIN: 541 889 849#

If you have any questions about anything here, please reach out.

Best wishes,

Jim
