### **EXPERIENCE**

Write any jobs you have had or currently have and describe what you do at the jobs. This is very similar to your resume.

### **EDUCATION**

Write where you went to college (SJC), what you studied, your GPA (optional), and what you are involved in.

### **SKILLS AND ENDORSEMENTS**

You can choose specific skills to highlight. People can "endorse" you on your chosen skills, meaning, they validate you are skilled in that particular area.

### **RECOMMENDATIONS**

Ask people to write you a public recommendation so job recruiters can see positive feedback from your past colleagues and supervisors.

### **ACCOMPLISHMENTS**

Put awards, organizations, and honors societies in this section.
